

April 2017

**Dear Fellow Member**

Once again it is time for us to invite you to re-join Woodbridge Tennis Club for the year 2017/ 2018. Your membership renewal form is attached.

The Wimbledon draw will again be run automatically through the LTA system on the 8<sup>th</sup> May for those who have opted-in and you will receive an email if you are successful.

Kurt Goddard, our previous chairman, worked diligently over many months to recently secure a new 25 year lease for the club. Coupled with the planned replacement of the lighting system during the summer, the club now has a fantastic foundation on which to build.

I would like to offer a vote of thanks to all the committee members who have contributed to ensure the club is managed efficiently and now has a long term future.

We are now working with the local publications to get this great message across in Woodbridge and surrounding areas.

Now that the foundations are in place, the committee has recently been discussing new projects to enhance the club and how we could fund-raise to finance these: more details to follow in the next couple of months.

We look forward to your continued membership and helping us to move the club forward on your behalf and to a great year of tennis.

We agreed at the 2015 AGM that there would be no rise in subscription fees for the 2017/8 year. By ensuring prudent financial management, we are ensuring that the club has sufficient reserves for any further maintenance which may be needed such as resurfacing the remaining courts or fencing repairs.

As in previous years, we are offering a number of different ways in which to pay your annual subscription which, we hope, may assist some members in budgeting. Full details are set out in the renewal form.

We hope that you will be able to continue your membership and support the club again this year and if you have any questions or concerns, please contact me directly.

Regards

Steve Lemon
